There was underwear, socks, an extra pair of shoes, an unopened ream of paper, a bunch of other stuff necessary for his writing, and a dozen or so paperbacks. The books were rubber-stamped with the name of a used-book store on Santa Monica Boulevard. They were a mixture: science fiction, mysteries, biographies, philosophy, several by Colin Wilson.."I just don't think he could. He's such a gentle boy."..Fallows glanced at the clock in the center of the console. Less than an hour before Waiters was due to take over the watch. Then he would have two days to himself before coming back on duty. He closed his eyes for a moment and savored the thought.."What do you want to know about Andy?"I bit my tongue but it was too late. She shrieked like a stricken animal and came at me swinging. There was a poker in her hand..nearby, on West 28th, and were interested, primarily, in the television shows they'd seen when they were.Just then, behind the bars, Amos saw the pile of grubby grey blankets move. Crawford and McKillian.Joanna Russ for "In Defense of Criticism".His voice became more serious as he continued. "I don't want to go off into a lot of personal anecdotes and reminiscences. That kind of thing is customary on an occasion such as this, but it would be trivial, and I wouldn't want my last speech as president of NASDO to be marked by trivia. The times do not permit such luxury. Instead, I want to talk about matters that are of global significance and which affect every individual alive on this planet, and indeed the generations yet to be born--assuming there will be future generations." "I just want to point out that instead of an expedition, we are now a colony. Not in the usual sense of planning to stay here forever, but all our planning will have to be geared to that fiction. What we're faced with is not a simple matter of stretching supplies until rescue comes. Stopgap measures are not likely to do us much good. Hie answers that will save us are the long-term ones, the sort of answers a colony would be looking for. About two years from now we're going to have to be in a position to survive with some sort of lifestyle that could support us forever. We'll have to fit into this environment."Across the hall.
