There was a figure hazily visible through the plastic. At this distance he would have been unable to tell who it was if it weren't for the black face. He saw her step up to the dome wall and wipe a clear circle to look through. She spotted his bright red suit and pointed at him. She was suited except for her helmet, which contained her radio. He knew he was in trouble. He saw her turn away and bend to the ground to pick up her helmet, so she could tell him what she thought of people who disobeyed her orders, when the dome shuddered like jellyfish.."Perhaps it would," Amos admitted..A block south of the Federal Communications Building, he looked up, and there strung out under the cornice of the building was the motto, which he had never noticed before, of the Federal Communications Agency:.Though he minded, he hadn't the gumption to say so.
