It may be because I was always rotten in math, but it wasn't until right then that I figured out Detweiler's timetable. It just became a habit, since they seemed to have developed a bond between them and none of the other three complained. Neither of the other women seemed to be suffering in any way. So Lang left it at that. What went on between the three of them was of no concern to her as long as it stayed happy.. "We sure did, and we were lucky to have Marty Ralston along.
