"He knows that, sister," Mead told her. "Didn't he tell us he was a ship carpenter? But it's a terrible long way down to the sea, surely. With this wizard on your scent, how are you to go there?" "There are good men there," he said. "Great and wise the Archmage certainly was. But he's gone..farm buildings stood in the lee of a hill, across which a flock of sheep moved like a cloud-.She had never seen where he lived. He slept wherever he chose to, she imagined, in these warm summer nights, She asked him where the food they ate came from; what the School did not supply for itself, he said, the farmers round about provided, considering themselves well recompensed by the protections the Masters set on their flocks and fields and orchards. That made sense to her. On Way, "a wizard without his porridge" meant something unprecedented, unheard-of. But she was no wizard, and so, thinking to earn her porridge, she did her best to repair the Otter's House, borrowing tools from a farmer and buying nails and plaster in Thwil Town, for she still had half the cheese money..he'll be all squared away. Living with the wizards, you know, the way they are, it set him back a.Roke, he had worn shoes.
