"But you are -- I do actually --". You must make your choice alone, as a man. Do you understand that?" Golden was earnest, seeing his chance to begin to wean the lad from his mother. She as a woman would cling, but he as a man must learn to let go. And Diamond nodded sturdily enough to satisfy his father, though he had a thoughtful look.. "You have-" he said-"you have to go. Back." As he said "Back," his left hand struck down on the. Men and women of the Hand had joined together on Roke a hundred or more years ago, forming a league of mages. Proud and secure in their powers, they had sought to teach others to band together in secret against the war makers and slave takers until they could rise openly against them. Women had always been leaders in the league, said Ember, and women, in the guise of salve sellers and net makers and such, had gone from Roke to other lands around the Inmost Sea, weaving a wide, fine net of resistance. Even now there were strands and knots of that net left. Medra had come on one of those traces first in Anieb's village, and had followed them since. But they had not led him here. Since the raid, Roke Island had isolated itself wholly, sealed itself inside powerful spells of protection woven and rewoven by the wise women of the island, and had no commerce with any other people. You wouldn't ask me to pay you what I have in mind to pay you, would you now, if the cure didn't take and the beasts died after all. Avert the chance! But I wouldn't ask you to wait all that time unpaid, neither. So here's an advance, like, on what's to come, and all's square between us for now, right?". "Mercy," whispered Gift. She had not sewn a stitch since he began.. In the time of the kings, mages gathered in the court of Enlad and later in the court of Havnor to. The sense of huge strength was draining out of her. She turned her head a little and looked down, surprised to see her own brown arm, her rolled-up sleeve, the grass springing cool and green around her sandaled feet. She looked back at the Patterner and he still seemed a fragile being. She pitied and honoured him. She wanted to warn him of the peril he was in. But no words came to her at all. She turned round and went back to the streambank by the little falls. There she sank down on her haunches and hid her face in her arms, shutting him out, shutting the world out.. fountain. The pain came and went, the darkness remained. Once it lightened a little into a twilight in which he could dimly see.
