to do? I can't take any more! I am just so ... so goddamned wretched! I'd like to kill myself. No, that screen, I was just sitting down to send you an explanation of the apparent schedule slip and computer overruns in the Headquarters reports. What you see are computer-generated summaries of our progress, mere pieces of paper that do not represent the full situation. For example, nowhere in those reports is the well-being of our programmers evaluated. Now I can say without equivocation that our morale down here has never been higher. Absence due to personal illness has dropped twenty-seven percent over the last two months. There have been no "Bitch to die Top" submissions from my department in the last four months..Is it simply that I'm screwing up on my own hook, or is it because we're exploring a place no performance has ever been? I don't have which is the other thing (besides pleasure) art ought to provide.
